This is a ground-breaking work. Containing the full translation of the Hygromanteia, a Solomnike. Stephen lives in Singapore. Cookies are used to provide, analyse and improve our services; provide chat tools; and showyou relevant content on advertising. During the 1970s he was the driving force behind Askin Publishers, producing a number of classic magical works by Cornelius Agrippa, Paracelsus, Austin Osman Spare, Aleister Crowley, and others. Now for the first time you can read the whole text (large portions of which were left out of the Latin translations) arranged clearly in the order in which it was meant to be read. He has written over 30 books and thousands of articles in his 40+ years of practice, focusing especially on the grimoires, qabalah, and ceremonial magic. You can learn more about how we (plus approved third parties) use cookies and how to change your settings by visiting the Cookies notice. This book is sometimes called the Hygromanteia, and this book has hidden behind the mistaken idea that all of it is a work on water divination, a scholarly mistake that has hidden the true value of this book for centuries. During the gradual decline and fall of the Byzantine Empire, this precious text, along with many others, was taken to Italy. Abridged Latin copies entitled the Clavicula Salomonis circulated in Europe, going through many changes, languages and versions to become the Key of Solomon as we know it (some of those manuscripts are published as Volume IV of the present series). This is the original Greek book of magic that was the source of the Key of Solomon, and in turn the ancestor of most of the grimoire-based ceremonial magic practised in Europe and the US today. Contrary to popular opinion the Key of Solomon was not translated from a Hebrew original. David Rankine is a magician, author and esoteric researcher based in Glastonbury, England. Stephen is credited with bringing the art of Feng Shui to the West, and in 1976 he wrote the Living Earth Manual of Feng Shui, which was the first English book on feng shui in the 20th century. Because we use cookies to provide you our services, they cannot be disabled when used for these purposes. It is quite likely that it was taken to Venice, where parts of it were translated into Latin and Italian. His interest in prophecy stimulated by this book, he went on to write the best selling Millennium Prophecies. Show less Show more Performance and Analytics ON OFF If you agree, we will use cookies to understand how customers use our services (for example, by measuring site visits) so we can make improvements. These books have had introductions by such diverse people as Colin Wilson, HRH Charles Prince of Wales, and Jimmy Choo, shoe designer to the stars. We use cookies to conduct research and diagnostics to improve our content, products and services, and to measure and analyse the performance of our services. During the 1970s he co-wrote many books with Francis King, including the still popular Techniques of High Magic. For the first time (outside of a handful of pages in academic works) the full Greek original of the Key of Solomon appears in English. Throughout history thousands of people have been fascinated by the grimoire the Key of Solomon. Stephen has written more than 35 books, which have been published worldwide in 28 different languages.
